

Innovation Challenge

1. Event Name

Innovation Challenge (Idea Pitch)

2. Objective

To cultivate entrepreneurial resilience by challenging students to analyze business failures and design sustainable, original startups for the Indian market.

3. Overview

The Innovation Challenge is a two-round, inter-college ideation event focusing on analytical skills (business failure diagnosis) and creative vision (startup pitching). Teams compete in a knockout Qualifier Round, and winners advance to the Final Pitch Round.

4. Format & Duration

Round 1 - Qualifier Round (The Post-Mortem Duel)

- **Duration:** As per group schedule
- **Format:** Head-to-head case analysis (Team A vs. Team B) on a failed startup
(Only one team from each group advances to the Final Round)

Round 2 - Final Round (The Seed Stage Pitch)

- **Duration:** 10 Min per Team
- **Format:** Startup pitch presentation followed by Q&A session

5. Participation Details

- **Team Size:** 2 members exactly
- **Eligibility:** Undergraduate students (PMEC and other colleges)

6. Evaluation Method

- **Qualifier Round:** Depth of failure analysis, feasibility of rebuild plan, clarity
- **Final Round:** Innovation, practicality for Indian market, scalability, defence in Q&A

7. Facilities & Requirements

- Presentation hall
- Projector and display setup

8. Rules & Guidelines

- Strict adherence to slide count and time limits
- Rebuild strategies and startup ideas must be practical and well-justified
- Judges' decisions are final and binding

9. Registration Fee

- ₹60 per team

10. Prize Pool Distribution

The total prize pool for Innovation Challenge is ₹2,000 .
